## NEW HALL NEW CAPABILITIES

OPENS  
SEPTEMBER  
2025

In 2024, the expansion of the AMBEREXPO complex began. The first phase includes the construction of a new hall offering 3,700m<sup>2</sup> of usable floor area, with a further 1,514m<sup>2</sup> allocated to storage facilities.

Equipped with a mobile auditorium system, it will be the only one of its kind in Poland's region of Pomerania able to host a congress for up to 1,000 participants.

- spacious and elegant lobby featuring a fountain and bar on Level 0, with a restaurant on Level 1
- full blackout capability and advanced technological fit-out in the Hall, based on expert Stage Technology solutions
- venue sound system, CCTV venue monitoring system
- outside broadcasting (OB) truck access points
- technical conduit for wired connectivity between the control room and the hall floor
- perimeter walkway and backdrop system
- dedicated control room
- service stairway providing direct access from the hall to the control room and walkway
- mezzanine overlooking Hall D with direct access to the VIP Lounge
- four dressing rooms with en-suite bathrooms and a make-up room in the hall's back-of-house area
- loading bay accessible for HGV size delivery vehicles

This new space will significantly boost the growth of TRAKO and BALTEXPO, MTG SA's two flagship events, while also enabling the development of new formats such as the PowerConnect Energy Summit. The new hall will enhance the appeal of the Inside Seaside music festival and of Infoshare—the largest conference in Central and Eastern Europe that brings together business, technology and startups. The fourth hall will also introduce a new function to the complex, being fully adapted to TV and film productions.

# RESTAURANT CAFÉ BAR

## A MODERN, DISCREET SPACE

Our catering partner, AmberSide, operates a bar, restaurant and café on site at AMBEREXPO, providing services for trade fairs, conferences and private meetings in the VIP Area. For food and beverage services within the exhibition halls, AmberSide makes use of its own catering infrastructure, furniture and tableware. Menus, formats and ingredients are tailored in consultation with an experienced team to ensure the highest standards. AmberSide's long-standing expertise and familiarity with our venue are key advantages.

# REGIONAL FLAVOURS FESTIVAL

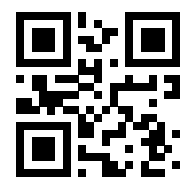

**28.02-1.03.2026**

**A NEW EVENT ADDRESSED TO CONSUMERS, RESTAURATEURS  
AND FANS OF QUALITY CUISINE.  
DISCOVER FOOD & BEVERAGES FROM REGIONAL PRODUCES.**

Combining the atmosphere of a market with the buzz of a food court, this new concept offers visitors a chance to buy products from regional food & beverage producers all in one place, and taste or purchase dishes prepared on site.

Our ambition is to establish the Regional Flavours Festival as a nationwide event held twice a year—in spring and autumn—under one roof. It will provide producers with a platform to showcase their specialties, share their expertise about them and serve them ready to eat. It will also be a launchpad for pre-sale previews, offering both insights and immediate tastings of new products.

INTERNATIONAL FAIR OF AMBER & JEWELLERY

**AMBERIF** SPRING 26-28 MAR 2026

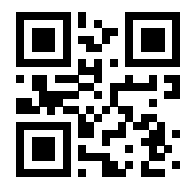

**AMBERIF** AUTUMN 4-6 SEP 2025

All amber roads meet in Gdańsk. Here, the historical tradition of working this material is continued, contributing to the city's unique atmosphere and the legacy of centuries-old material culture. Gdańsk is also home to AMBERIF, the International Fair of Amber & Jewellery, held twice a year, in early spring and autumn.

**As Poland's largest and one of Europe's leading jewellery trade fairs, AMBERIF brings together avant-garde jewellers and sets the stage for new trends in amber design.**

The spring edition is strictly B2B, with the autumn show also open to the general public.

ENERGY INDUSTRY FAIR

# POWER CONNECT ENERGY SUMMIT

18–20 III 2026

The **PowerConnect Energy Summit** is a conference platform for discussing key aspects of the energy security of Poland and the Baltic Sea Region, the main directions of the EU's climate policy and their impact on European industry. Participants in the discussions will include energy sector experts and specialists, policy makers, representatives of national, regional and local authorities, MPs, senators, think-tanks and academia.

**TARGI BRANŻY ENERGETYCZNEJ**

The PowerConnect Energy Summit is the first energy trade fair in Pomerania, set in the very heart of Poland's most significant energy investment projects. This is where market leaders, specialised subcontractors, cutting-edge tech companies, renowned experts and decision-makers shaping the industry in Poland and abroad come together. It is a unique opportunity to forge valuable business connections and engage directly with those in charge of Poland's most important energy projects.

# BALTEXPO

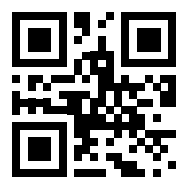

7-9 OCT 2025

THE LEADING EVENT FOR THE MARITIME  
AND MILITARY INDUSTRY IN THE BALTIC SEA REGION.

**BALTEXPO** is more than just an exhibition: it above all an international platform for knowledge exchange, showcasing cutting-edge technologies and forging strategic business relationships. The event brings together representatives from the shipbuilding, port and military industries, as well as the innovation sector.

The programme features the Start-up Zone and Education & Career Day, both supporting young, innovative tech enterprises and promoting career development in the maritime sector. The conference agenda will address topics such as sustainable development, investment financing, green initiatives, maritime security and new geopolitical challenges in the Baltic Sea Region. Running alongside the trade fair will be the Baltic Ports Organization (BPO) conference, gathering representatives from the region's key ports, as a valuable opportunity for international networking and sharing of expertise.

**BALTEXPO** is an event that strengthens Poland's position as a key player in Europe's maritime economy by combining experience and international cooperation under one roof. The fair is held every two years.

# INSIDE SEASIDE

FESTIVAL

'25

8-9 NOV 2025

**A SOLID DOSE OF EXCITEMENT, A POSITIVE VIBE AND HIGH-ENERGY PERFORMANCES BY OUTSTANDING ARTISTS—MEMORIES THAT WILL STAY WITH YOU FOR A LONG TIME.**

**With two successful editions behind it, Inside Seaside—organised by MTG SA in collaboration with LIVE Agency—has already made its mark.** Held over a November weekend, this unique indoor music festival stands out for its wealth of experiences: an intense dose of sensations, great atmosphere and outstanding artists in electrifying performances that linger in your memory long after the show.

Artists take to the stages in Halls A and C, as well as in the largest conference room. In addition, Hall B is transformed into a food hall, while the Conference Centre and a dedicated marquee host a cinema, gallery, merchandise stalls and stands where artist sell their creations.

# GDAŃSK THE WORLD CAPITAL OF AMBER

## AMBER IS

ABOUT SCIENCE, FASHION, ART,  
ARCHITECTURE & DESIGN

**GDAŃSK–THE WORLD CAPITAL OF AMBER** is a project designed to transform the image of Gdańsk as a global leader in amber, with a focus on modern approaches to jewellery. Moving beyond traditional forms, the project champions innovative design and contemporary interpretations of amber, capturing the attention of new generations and global markets. Building on its centuries-old heritage and the strength of its amber industry, Gdańsk is merging tradition with fresh perspectives to become a centre of cutting-edge design and jewellery, reinforcing the city's position on the world stage.
